could listen to this till time ends and never board! to make long story short, this song rocks! Boyfriend is my fave song of all the BTR songs.. Every artist or band uses autotune to enhance their voices, only Big Time Rush do not use much at all because they have good singing voices live.. It also made me feel sad It told me that kendell is a very nice guy by singing worldwide to Jo. [????? ?????? ??? ?????? ???](#)

All orders are custom made and most ship worldwide within 24 hours Mar 10, 2012 'Big Time Rush' belongs to a new age of industrial kid-pop, when the circular formula the Monkees exploited - the show sells the band that sells the songs that sell the show - is just established good business practice. 0041d406d9 [Monkeys Audio For Mac](#)
