Regular project update Omsi 2 Bus Mods Archive Into The Omsi 2 Bus Mods Mod Is Perfect Omsi 2 Bus Mods Mod Is Perfect Version: 2.. It replaces the texture of the sky and improve the graphics in the game They were checked only on the bus Liaz 5256.. On this map, 3 new routes of medium length and length have been added Do not scold much, in programming I am almost zero and just learning.. The map contains bus routes 47,45,110 and trolleybus route No It perfectly conveys the atmosphere of an old provincial town The mod is suitable for weak PCs There is one circular route on the map, lasting 30 minutes.
